I would like to schedule the time for this meeting. 3:00 - 5:00 pm appears to be the best time for us here. Please let us know if that suits you.

Subject: Candidate Dates for EPA meeting on model

Hi Ravi,

At last we have some candidate dates from Dr. Swenberg that work for Dr. Starr!
We hope that this will work for the EPA Formaldehyde modeling team.

Wednesday, Feb 13 in the afternoon.

Wednesday, Feb 27 in the afternoon.

Antoinette, David indicated that you would assist coordinating EPA schedules. Let me know what works best for you.

Both Dr Starr and Dr Swenberg prefer to come in and meet in your VA offices so there will be roughly 4 or so from the science/ACC.

Many thanks
Ann
